J.B.'s
rough-handed
attitude must have
been intimidating
to everyone else

The night
the boy
"was
killed"

Come
with me,
Beverly

Her Mother's
brother

and one of
the few local
wealthy cattle
ranch owners

The man
who made it
all possible
was J. B. Hammond

They're like
my family

J.B.

And not only
because I'm
his weak side

I wasn't
afraid
of him,
though

Come

When I was
14 years old—

...a boy in my
father's home
attacked me

My name
worked as hard
looking for his
death before
abandoning my
mother and
disappearing

Just because
of that, he accused
me from being in
father's home after
my mother died

I'm the only one
who knows how
to handle it.

That's what
I thought when
I was young
and naive.

When
I was 18.

One of it's
gifts and
something that
afforded me.

If you talk
to the therapist
like that.

with only
a number of
more before the
change point.

For it's
family!

That feeling
eventually faded
into the desire to
have him in myself.

and I became
proud of the
woman who came
and went when it's.

But what
you will
bringing
you.

computer do.

Look!
Not
the most
satisfied.

I know
that
a heart
you've
lost your
beloved.

It was
the man
when my
mother died.

From a

It's

It will
make
you up.

What
to do?

Still.
Please get
ahead of
yourself.

They're beautiful, but even plenty right

Think

...

Sorry

Don't use your property

If you don't stop using this thing to you, I'll have to show you one.

You're not even really family

Stop

All of your girl friends are like mine

Whenever you might think, you don't have the right to tell me what to do

Stop

Maybe he'll
come to
company.

It
sounds
good!

Maybe he'll
start working
in business.

Chocho!

I never
saw him,
but he must
have been
somewhere.

My last
husband
found it,
too.

School

The garden
at your house
is always
so beautiful.
Manga!

There must
have been
something
written in
the clouds.

Right.
Otherwise,
I'm sure J.B.
would have
come to my
graduation.

Sorry.

After that,

I left J.B. in
hurry and moved
to my school's
boundary.

Perhaps?
You mean,

do you think
you've written
every Christmas
and birthday card
you left in
the village?

Right!
That really
upset me
with the
new design
each year!

That's not what
I really felt.

After all, J.B.
has been reading
the note that day.

Maybe he's
just angry
about the
note.

I'm not lying
It's still a
gift from J.B.

I know it.

It's
the same
model.

J.B. would choose
a present for Morgan
or for me, himself
because the
secretary do it.

It's because
I'm not lonely.

What?

I know
a better
way you can
thank me.

Thank
you.

It's a sign
that he hasn't
forgotten me
completely.

I'll be
working as
secretary of
the Balmage
Society.

Until my
graduate
school
leaves, it
isn't much
to do.

Okay.

How do
you appear
on the
help.

The experience
differs from
helping AB
on the ranch
comes as
hardly.

No
more
the
Balmage.

It's not
your fault,
the fault.
It's a
new world.
I like it.

...but it was
your graduation
present, right?

Thank
for the fault.
I wanted
to apologize.

It's necessary
to talk to you,
Terry.

Shutter

It could not be
all everyone that
he had to take
over of life...

Oh, then
perhaps?

I B was
very angry
with me.

He said that
I spoiled one
of the most
important days
in your life.

It was
already
spoiled
after
he didn't
show up
for the
ceremony.

What are you doing back here, George?

How do you know all that?

Yeah, all of it.

I like that.

Did you tell Terry what happened?

What?

George's story is a little bit...

...not a million miles.

As soon as the drug-running stuff and began looking into JB's father, who owned the company's stock.

When Dave looked finally told her brother what happened.

This is why JB feels around with to many women and refuses to marry...

JB must have thought himself.

He never think that she wouldn't have decided it wasn't for him.

"I'll never love you until you explain to me long as I live."

Maybe
he didn't
realize how
you felt?

Then he started
to glare at me
about the time
I graduated high
school.

He would
always say
that I was
a worthless
good-for-
nothing.

I think
it

Should
he challenge
that I was a bad
influence on you,
and that I should
find work
somewhere
else.

He did
what?

I've supposed
Jill hasn't tried
to run you out
of town.

He used.
He came on
the ranch
yesterday.

He said there
was
he was
going to the
canyon
because of
a personal
group.

What did he
challenge
say?

I'm sure he
knows him!
I know him!

Ahhhhhhhh
あああああ

How long have
you known or how
well him?

How long?

He used to
be my partner,
that's all.

He used
to be my
lover.

I believed him
everywhere
and wanted
sexual
for him.

Probably
more
with it.

That's
Barbie Dene.

It's called
spring
cleaning, J&J.
You know
you'd know
something
about it.

I bet Nell
takes care
of all the
house
work.

I bet's think
I'll be shaking
your hand.

Isn't it we have
to take your name
to dinner,
J&J?

There's
no point in
talking to
the house
cleaner.

I'll go
clean the
kitchen.

It's
a wonderful
house.
Marge.

Surpr!

And here
I thought the
unwashed
servants had
been abolished.

What's gotten into you?

Sorry!

Enough of putting up with those women like her!

She reminds you too much of...
That's all.

You're not the house cleaner.

That's my mother and Mary took over it, so she's helping her out in return.

You don't know what it's like to do my real work, do you?

Sorry! Go get Mary!

What's I'm not everything there, I go to college so that I can earn a living on my own.

Is it yourself? I'm not your servant.

Who else does get that job?

You won't have to worry about that until your back starts to go.

Don't

He pulled
me for
following him
and not
watching things—

That's not a
good enough
and so make
him realize
for his
mistake.

I couldn't
tell him.

What?

He wasn't
there with
them yet...

Sorry.

Tell him that
everyone is
at the hospital.

Well...

Tell
him that
too.

Yes
for him.

He's missing.
He's missing.
Tell me
about it.

He won't
leave
like that.

Get out.

Who would
want to
be with
a girl
like you?

What was
all that
about?
What's
going on?

It's
things.

Yes?

18

want
to see him
again

Scream

"I want
you out
of my life
forever!"

"I don't
want
you!"

Get down!
(back of you)

It was
because
of you that
she had the
accident!

カタ
ン

We'll know
more over
the next 1000

It should be
temporary.
It's not
permanent
because of
bad trauma.

Answer.

It's really
because of her
bad injury?

...should
I tell
them?

...I'm
sorry.

Listen,
[K]

Because
of you,
she's trapped
into the past.

Back to
a time when
you were still
kind to her.

You said
something
harmful to her,
didn't you?

What
happened
between you
two, [K]?

The best
time to
get out
from there.

Not just
physical
death,
either.

...My last
an appointment
at the house.

It's opening
breath.

Does
that breath?
Don't they
have school?

They're
overlooking
the house, so
there's no vacation
week here yet.

Why doesn't
Margo come
to school?

My school
girls light
up when
I see them.

What's
wrong
with
me...?

How do
you feel?

Good.

Oh...

Thank you
for preparing
such a nice
vacation for me.

Good.

You really
made her so
proud for once
nothing.

The memory
will return in
no time.

What do
you think,
Nell?

How much
fun that
I could have
back all
I said to her

Good night,
princess.

Shy

You should
go home
now.

Good

Yes

It's
still a bit.

I'll see
what happened.
You don't have
to rush me at

...I'll
reward
you.

Even if
you're a
seducer.

When
you're
ready.

Although
I can't
remember
the events,
though.

The same
thing is
happening.

What
time
is it?

What time
I sleep in
your house on
that rainy night?

What else
can I
forgetting?

Some
memory loss.
I'm
absolutely
of the
moment.

I'm afraid

After that she'll
deserve me when her
marriage returns.

Don't
worry,
Terry.

When the
time comes,
you'll
remember
everything.

Don't tell me you're forgetting after I said!

So it was because of you...

...then Jiji told me not to come here anymore.

But after you encouraged me to do this, right?

Flash

What happened?

I didn't know what I was doing...

He said that I was about 20...

It's been a week, and I still haven't worked me

Wait

Wait! I remembered something about the accident!

Wait! Where are you?

What were we arguing about?

He's
trying to
regain?

That
carnegie like
and only to
make up for
what he said
to me?

He
missed
himself

It's too hard
you were in
that accident.

It's all nothing
but a look
given to him

Red-rose
house,
darker

After what
happened, I

They
just
keep

It's
hard

Why?

Why did
Jill leave
me here?

I said
get out!

Stay out
of my life
forever!

...I wonder
what J.B.
is doing?

Planner

I've
missed
about
J.B....

Can you
call him?

It's all about!
I can still hear
many stories,
but there's blue
sky showing.

I'm
so stupid.
Even after
all that

Why
should
I grieve
about him?

Could
the clouds
be great?

Is there
an
answer
there?

No!

We have
to go to the
household!
Now!

It's
terrible
now!

There's been
a terrible
warning on
the radio.

Easy—
Remember
when you
were 18?

There he
was.

It looks
what he
is.

When we
blended in the
living room
with?

...but you
were still
so young.

I wanted
you so badly—

So I wanted
for you to
return.

I wanted
and wanted.

...and it
was too much,
and I started
taking a lot
on you.

When it did
to you was
horrible.

It almost
felt like
I had been
rough
during.

I was
embarrassed
that you saw
Bella and
me together.

...she actually
remembered me
was speaking
the summer with
her own and touch
in the kitchen.

When I told
Bella I lost
everything
in the accident—

The one
I wanted
wasn't Bella,
but you.

But...
what
happened
after?

I love
you.

Is this
serious?

Just an
imagi-
nation...

...you're
so beautiful,
Tanya...

I can't wait
any longer

[B...]

Please,
Jill...

If this is
a dream,
I don't
want to
wake up...

I won't have
much time
of my love life

I just want
to be with you
right now

Kiki!
How could
we have kids

Why don't
I have you?

That
wedding

Life is even
better than
I'd dreamed

Don't you
think so,
Jill?

It's the
one I spent
ten years
on!
